1 PACK NAVIGATION

This pack is structured as so:

WHAT IS A VARIATION?

A Variation is a version of a main track that could be useful in your game.

For example: A shorter, looping version of a full track.

3 FAQ

WHAT AM I ALLOW TO DO WITH THIS MUSIC?

In short: you can use the music in films, games, trailers, and any media as long as the music is in sync with the visual images.

If you want to learn more check out the Unity terms of service: https://unity3d.com/legal/as_terms

WHAT CAN'T I DO WITH THE MUSIC?

What you can't do is redistribute / resell the music in any form, including loops made with the loop designer. Also selling the music as an accompanying soundtrack for your game is prohibited, but email me at **contact@faisalanderson.com** and we can work something out.

CAN I USE THE MUSIC ON YOUTUBE?

Yes you can, see the first question. Also the music is not registered to the Youtube Content ID system so no warnings will come up. If they do for some reason, please contact me at **contact@faisalanderson.com**

CAN YOU MAKE ADJUSTMENTS TO A PIECE OF MUSIC FOR ME?

If they are minor changes I would be happy to. Just drop me an email at **contact@faisalanderson.com**

CAN YOU MAKE CUSTOM SOUNDS / MUSIC FOR MY GAME?

Yes, I'd love to do some work together!
Email me at **contact@faisalanderson.com** with your requirements.

4 HELP AND SUPPORT

Email me at any time at **contact@faisalanderson.com** if you have any questions or need help.

If you have a game you've created with my music (or just a cool game in general) email me about it as well!

Thank you for purchasing the pack and enjoy creating!
